

Royall Elementary School

1101 Cheraw Drive
Florence, SC 29501

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	K-6 Elementary	Principal:	Julie C. Smith
Enrollment:	635 students	Superintendent:	Dr. Randy Bridges
School Phone:	843-664-8167	Board Chair:	S. Porter Stewart
School Website:	https://www.fsd1.org/schools/royall/Pages/RoyallElementary.aspx

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

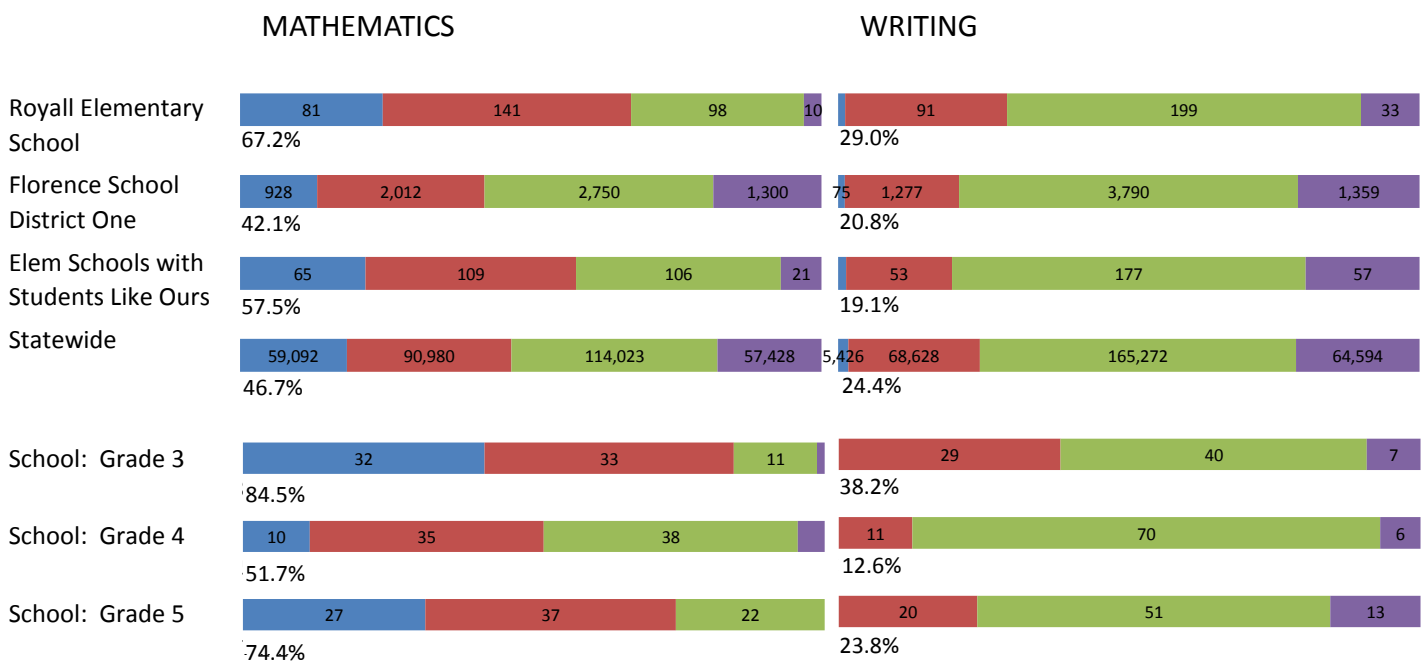

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Royall Elementary School has a well-deserved reputation for insuring our students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by maintaining high expectations and our shared commitment to insuring each Royall student reaches his/her fullest potential both now and in the future. Royall Elementary School's recent recognition as a National Blue Ribbon School of Excellence is a testament to our school's comprehensive and highly effective instructional and extra-curricular program tailored to meet the needs of our diverse student population. In addition, we are proud to have achieved Palmetto Gold or Silver for every year since the program began. The combined efforts of our students, staff and parents have resulted in "Excellent" ratings in academic achievement and recognition for closing the achievement gap. Royall's emphasis on insuring every child at Royall is a successful reader has earned us the recognition of "Master School" by Renaissance Learning. Central to these national and state recognitions is our belief that students respond best when they are challenged and supported. Royall achieves these goals through our emphasis on collaboration, cooperation and discovery learning. We recognize that a world class student must work with others to solve problems and must develop the skills needed to become a creative and innovative thinker. Technology is utilized at Royall to both diagnose and remediate students' academic weaknesses, but also to allow students to utilize this valuable resource to research, analyze, apply and create. Programs including iStation, Study Island, Bookflix, and MyOn along with the use of our three technology labs; STEM lab, Discovery Learning Lab and Collaboration Station, reflect our belief that students must be more than learners; they must also be thinkers. While our academic emphasis is central to our school's mission, we also recognize and encourage students' artistic talents through our Horizons art program, Royall Glee Club, Royall Young Singers, and Chimes program. Royall's theatrical productions of well-known classics have earned our arts programs the reputation of being second to none. To insure that we also teach our students compassion for others we provide Royall students the opportunity to participate in a wide variety of community service projects. Royall is proud of our successes, but we're also committed to an ongoing effort towards continuous improvement. Professional development, conference attendance, book studies and cooperative planning times help our staff grow not only as teachers but also as learners. With the help of a dedicated staff, supportive parents, an involved community and hard-working students, Royall Elementary School is a true example of our school motto "A Proud Past... A Bright Future!" Julie Smith, Principal Sharon Tanner, SIC Chairperson

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
